Ambiance Audio AMDBPP-BLK Quad Speaker Binding Post Plate

SGD\$60.00 SGD\$49.00
You Save: SGD\$11.00

Ambiance Audio AMDBPP-BK Quad Binding Post Plate Black Anodized Looking for a higher-performance alternative to standard terminal cups? The Ambiance binding post plates are the answer. Made from .110" brushed aluminum, they are available with silver, blue, or black anodized finishes. A pre-installed gasket and beveled outside edge allow easy installation without requiring time-consuming recesses. Simply attach your choice of binding posts to the plate, cut a hole in your cabinet with a jig saw or hole saw, and screw in place. Designed to work with your choice of Ambiance Premium Binding Posts. Specifications: Black anodized finish, accommodates two pairs of binding posts, overall dimensions: 4" W x 5-1/2" H, maximum cabinet cutout: 2-3/4" W x 4-1/2" H, hole spacing: 30mm x 50mm.
